Real Merit

Is the characteristic of Hood's Sarsaparilla, and it is manifested every day in the remarkable cures this medicine accomplishes. Druggists say: When we sell a bottle of Hood's Sarsaparilla to a new customer we are sure to see him back in a few weeks after more—proving that the good results from a trial bottle warrant continuing its use. This positive merit

Hood's Sarsaparilla possesses by virtue of the Peculiar Combination, Proportion and Process used in its preparation, and by which all the remedial value of the ingredients used is retained. Hood's Sarsaparilla is thus Peculiar to itself and absolutely unqualed in its powers as a blood purifier, and as a tonic for building up the weak and weary, and giving strength to the nerves. Be sure to get

PROTECTION FOR BRITISH

New York, March 26.—A cable to the Sun from London says: People are now three weeks nearer facing the problem of protection than when the Government's fiscal trouble was first described in the Sun. Since then the situation has become worse. During the last fortnight of the financial year, which ends today, the Treasury officials have been making frantic efforts to collect all taxes, and tobacco importers are helping to increase the revenue by heavy and hurried imports, fearing that the remitted tax of six pence a pound will be reimposed next month. Nevertheless, there will be £1,000,000 deficit in the revenue, and, with the increased defense expenditures, Chancellor Hicks-Beach will have to raise £5,000,000 by fresh taxation.

There are two diametrically opposite programmes for raising this money. The old-fashioned, orthodox one, which it is expected Chancellor Hicks-Beach will adopt, is the restoration of the six pence a pound tax on tobacco, the extension of the income tax to bank deposits, legislation to prevent legislators from aiding their heirs to avoid death duties by the device of making over property to them during life, and a graduated receipt stamp tax. It must be said that most of these are unpopular among the business community, which is the backbone of the Union party, and it is possible that Chancellor Hicks-Beach will not adopt all of these, but, instead, will put a shilling a barrel duty on beer.

The other scheme, which will be vigorously supported, is to impose a fastidious pound tax on all foreign imports of sugar and to reimpose a registration fee on all grains and meal imported from foreign countries of 5d per hundredweight on grain, and 3d. on meal and flour.

Advocates of this plan refuse to call it protection, but free traders insist on the name, and it is sure to stick. Probably the proposal will be submitted as an amendment to Chancellor Hicks-Beach's finance bill. When the division of the House of Commons is called it will show how numerous are the members of the new finance school, which is largely made up of younger imperialists. They are encouraged by the Indian Government's decision to impose a countervailing duty on bounty-lod sugar.

Notice for Accounting.
Mrs. Horn has applied to the Circuit Court for an order of accounting against Geo. D. Gear the attorney. She left her property with Mr. Gear when she went to the east, upon what defendant claims to be a trust, her children being the beneficiaries. She had five children, two of whom are now in California with her. As all of the children are interested in the matter, Mr. Gear wanted them all to consent to turning the property over to the mother, but only the two children in California would do so. Their share was paid over and the action in effect is only for the purpose of determining if Mr. Gear could do further without the consent of all the beneficiaries. It is a question of law only and not of fact to account. The refusal of the children here to consent to have the property turned back necessitated the bringing of the action, which is so far as Mr. Gear is concerned, is merely technical.

The two-year-old son of W. J. Ferguson, of Boston, Mass., had whooping cough. "After several physicians had prescribed for him, without giving relief," writes Mr. Ferguson, "I persuaded my wife to try a bottle of Chamberlain's Cough Remedy. The first dose had the desired effect, and in forty-eight hours he was entirely free from all cough. I consider your remedy the best in the market, especially for children and recommend it at all times." 10 cent sizes for sale by all dealers. Benson, Smith & Co., General Agents.
